## My Dad (Poetry Writing)

My dad is my best buddy,  
He is clever, brave and with a strong body.  
He shares my joy, sadness and we always watch movie happily.  
That is why I always calls my dad 'honey'!

My dad works in EPS.

And has a daughter studying in SPCS.  
Both of us like our work,  
And both of us cannot bear little dirt.

However, sometimes my dad is like a monster.  
That is because he is my family's 'master'!

He shouts and roars

In order to make me do house chores!

Yet, most of the time, my dad is friendly.  
He always makes me dress like a Barbie.  
Though sometimes he is imperfect,  
For me, he is always my 'Perfect'!

- A well-written poem consists of a full dimension of 'Daddy'.
- Good attempt of using Rhyming Couplets (ie. AABBCC Rhyme Scheme).
