Good bye Teacher! (Poetry Writing)

Oh teacher, oh teacher!

I really miss you so

I've never thought you will retire soon.

I hate to see you go!

Oh teacher, oh teacher!

I love you truly.

You've lighten up my world

And I want to tell you sincerely.

I'll remember all the things you have taught

I'll remember all activities we've done.

And most importantly,

I'll remember that you are the best teacher!

- A nice poem fully expresses the feeling of missing the favourite teacher.
(i.e. Strong emotions conveyed).

Good Job!
