Hi Olivia,

I'm trying to organise a surprise party for my sister (1) _____ but I don't think I can do everything myself. When I was a student (2) _____ I used to arrange huge events for my rowing club all by myself, but I must be out of practice. Could you help me please?

Last week (3) _____ I booked the community centre (4) _____ because they had a special offer. I need some help with the food (5) _____ and the drinks. I also need to make a birthday cake on the day.

I've booked the centre (6) _____ until midnight, but we can stay until 12.30. We can use this extra time (7) _____ to clean up. At a party we went to last year, the neighbours (8) _____ complained about the noise (9) _____ so we couldn't play music after 11pm. We'll be able to have a proper party this time, though, because the community centre is in the middle of a sports field, so no one will hear us.

Anyway, could you help me for an hour or two before the party (10) _____ to help me get things ready? The DJ (11) _____ is booked and I've invited everyone already. Sophie (12) _____ keeps

her address book with her all the time, but I managed to print out her email her address book on Friday.

Thanks Olivia,

Sarah
