## My neighbours

(Poetry Writing)

My neighbour on my left is called Mary.  
She is as tall as Uncle Gary.  
She always helps me with my assignments,  
Cause, she is specialised in time management.

My neighbour on my right is named Scarlett.  
She is the prettiest girl I've ever met.  
Although her amazing face makes me feel shocked,  
She often misplaces her things, even her socks!

My neighbour living opposite to me is a little boy,  
Whose father is called Roy.  
They look very, very different,  
Though they are living in the same environment.

All neighbours are very nice to me,  
Especially the boy's father called Roy Lee.  
I hope it will be twelve o'clock soon,  
Cause they will bring me lunch at noon.

Well Done!

- A well-written poem depicting the good qualities of neighbours.
- Good attempt of using Rhyming Couplets (AABBCC Rhyme Scheme.)
